Professional Experience

Video Editor

Inventiva | June 2020 - November 2020

I worked as a Video editor for a New's channel company.I used to remove the green screen, background match, color grading, make new templates, infographics, titles, thumbnails, and many more required for news videos.

Senior Video Editor

Royal Ark Productions | November 2020 - February 2021

I worked here as an videographer and video editor for the production house to make a short film.

Freelancing Video Editor

Cinehood Productions | January 2023 - Present

I work here as this is my own production house. I take wedding shoots, birthday events or parties, Model shoots, commercial shoots, Music videos, Shortfilms.
